Tavares, FL 32778

Donations can also be made online at
www.CarpentersHouseForChildren.com.

Pat and Linda Manfredi started The Carpenter's House in 1978, devoting their lives to providing hope to the hopeless, love to the forgotten, and opportunity to the less fortunate.

More than three decades later, over 140 abandoned, displaced, underprivileged and medically needy children have experienced their love and compassion. Today, Pat and Linda continue to serve as directors of the Home and, most importantly, are Mom and Dad to all the children who call The Carpenter's House "home."

the carpenter's house
for children

The Carpenter's House for Children provides a safe refuge for children who have come from third-world countries, many of whom have been rescued from dismal poverty, near starvation or suffer from life-threatening medical conditions that could not be adequately treated in their country.

The Carpenter's House provides a foundation of values, responsibility and a lifetime of love and support to the children. The mission of The Carpenter's House is to provide a stable and nurturing environment for children from around the world to live, learn and grow.

Providing...

The children at The Carpenter's House are provided for with three square meals every day, medical assistance, and a safe, comfortable and warm home environment. The children are able to grow in a nurturing environment and know that they are cared for in every possible way.

Supported solely by donations, The Carpenter's House operates on a very lean budget to provide food, shelter, clothing, medical care, school supplies and toys for the children in its care. Although the Manfredis have a seemingly unending supply of faith and determination to forge a good life for their children, they can't do it alone. **They need your help.**

The Carpenter's House is a 501(c)3 organization based in Leesburg, FL.

Educating...

The children at The Carpenter's House receive a quality Christian education at a private academy where they are able to participate in classes, athletics and activities appropriate for their ages. This training and education meets the instructional needs of every child to open up a whole new world.

BECOME 300 STRONG!

The Carpenter's House for Children does not receive any government fundings and counts on the support of churches, civic groups, businesses, families and individual friends.

Would you become one of 300 who would pledge monthly support for one year for these children?

Additional ways to get involved:

- Spread the word - be an advocate for The Carpenter's House by telling a friend.
- Invite The Carpenter's House to make a presentation to your group or club.
- Attend or volunteer at a Carpenter's House event.
- Hold a fundraiser of your own.
- Call The Carpenter's House office for details of what is needed (food, toiletries, household items, etc.)
